Dear Rosamond and Bob,

I am sorry for the delay in conveying to you my thanks for your hospitality, your courtesy and for just making me feel at home from the moment I walked into your home to the moment I left.

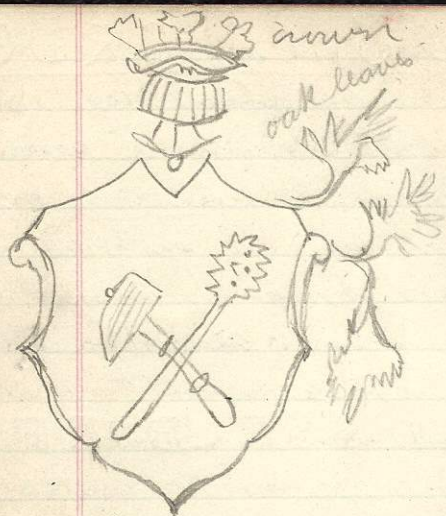

Our return from Dallas got me involved with The Military Order regional convention which takes place the latter part of the week of 25 May.

We had a letter, awaiting us, from Edith - she sent along a photograph of the wappen, same as the one you have. She thanked me for sending her the one I sent her - the one I could'nt show you. Here it is enlarged - I have sent her a copy.

Sincerely and with love,

Henry Virginia
