FORT DEARBORN

Blockhouse and soldiers' barracks of the "third Fort Dearborn", reappears on the shore of Lake Michigan as part of the 1933 Century of Progress Exposition. Near here stood the original blockhouse and barracks of the old fort, whose inhabitants were victims in 1812 of the Dearborn Massacre -- eventful day in Chicago's pioneer history.

My Dear Ricka -

I have very great pleasure in sending you, the latest bride, this little gift, which I trust you will enjoy in your home and with your family.

Hope many years of true pleasure are in store for you and those who have fallen to your hands. The spirit of brotherliness seems to be your native air and we are glad for the children.

Sincerely Yours
